Conclusion

WEPC will once again host the Night To Shine event on Friday, February 12, from 4-5:30pm — Covid style!

Guests will drive thru using the preschool drop off/pick up line. Each guest will be given a gift bag, and a respite gift will be provided to their parent/caretaker.

Next, a meal will be handed out followed by a drive by photo booth so pictures can be taken of the guests while they remain in their cars. A virtual program waits for them once they get home.

What can we, as a congregation, do to support this event?

- Prayers for the event and those being served are always welcomed.
- Individuals can write notes of encouragement and/or love to be given with each guest gift bag. Then this year, since we are not able to offer a respite room for caregivers, we are wanting to give them a gift and a note of encouragement and appreciation, as well. Night to Shine message cards are available for pick up after the services or you are welcome to write them on your own stationary. Bring all finished cards to the church office or the YMCA.
- If anyone is interested in helping in other ways (i.e. donations or volunteering), contact Anne Petre at 317-508-5840 or email her at: apetre@kcymca.org

Thank you for making this a special night
for these special guests!
