## **Continuing the Conversation Questions**

1. What is a label that others have given you or you have given yourself?
2. Why do you think God will give His people a new name?
3. What is the new name/label you feel like God wants to give you? Why? How might that happen? What might need to change?
4. In Isaiah 65:13-15, how does Jesus "win" for us the blessings described there?
5. What is the new purpose God is giving you in Jesus Christ?
